Abstract text here [1]. Please do not include any images inside. Your abstract should be as short as possible (the limit is one A4 size page, written with 12pt Times New Roman font - this includes title, authors, affiliations, abstract text, references, acknowledgment etc.). We will appreciate it if you can send your abstract in two file formats - txt (without any formats) and pdf (pdf file is just for comparison and to show us how you see your abstract).
